

ARTESANA is a boutique winery in the acclaimed Canelones region of Uruguay specializing in Tannat, Tannat blends and Zinfandel, the only Zinfandel produced in Uruguay. Made with the highest quality estate-grown fruit, Artesana's handcrafted wines showcase Uruguay's distinctive terroir and its signature varietal Tannat. Artesana is the only American winery in Uruguay and is partnered with two award-winning Uruguayan women winemakers. The winery is open to the public and offers tastings, tours and lunches.

Artesana

“Handcrafting iconic wines that express the unique terroir of Uruguay’s acclaimed Canelones region.”

REGION

Located 30 miles north of Uruguay’s seaside capital Montevideo, Canelones is the country’s premier winegrowing region.

VINEYARD

The Artesana vineyard is entirely hand-farmed using sustainable practices. Meticulous protocol is followed to produce low yield, highly concentrated fruit. 20 acres of the 80-acre estate are planted to Tannat, Merlot and Zinfandel, the only planting of this variety in Uruguay.

WINEMAKING

Artesana wines are made in small lots with minimal intervention, allowing the character of the fruit to be expressed. 20-day cool maceration regimes provide excellent aroma and flavor extraction. Barrel aging is done in new and used French and American oak for 12-18 months to carefully accentuate the flavors of the wines. Custom blended and bottled without fining or filtration, wines are bottle aged an additional 6-12 months.

WINES AVAILABLE IN THE US

Tannat

Tannat-Merlot-Zinfandel

Tannat Rose
